

Calling for Expressions of Interest

Veteran Organisations' Sport and Recreation Forum

We are calling for Expressions of Interest from interested veterans, and family members of veterans, to join a Forum of veteran-focused organisations.

The Forum is focused on improving health and wellbeing through sport and recreation and is an opportunity for veteran-focused organisations to share opportunities and collaborate.

We are currently seeking a small number of veterans, or family members of veterans, to contribute their experience, energy and ideas to the Forum.

Successful candidates will ideally:

- a. Have transitioned out of the ADF within the last five years, or be in the process of transitioning out of the ADF (or be a family member of a transitioning / transitioned veteran)
- b. Have a background of personal involvement in sport and recreation
- c. Have a demonstrated interest in supporting the welfare of veterans and their families through sport and recreation
- d. Be available to attend and participate in video calls during working hours every six weeks for the next 12 months
